**2. Term.** The term of this agreement is one year and becomes effective upon Sound Transit's signature. At the time of this agreement, Sound Transit policy is to allow existing locker users in good standing to renew this agreement annually. Sound Transit reserves the right to change this policy. Sound Transit may send you a renewal notice, but it will be your responsibility to ensure that you renew before the end of the term of this agreement.

**3. Annual Fee.** The reserved bicycle locker user fee is \$50.00 per year.

**4. Deposit.** There is a one-time refundable \$50.00 key deposit. This key deposit will be returned to you if the locker key is returned to Sound Transit within 15 days after this agreement terminates or expires. If this agreement is renewed, the deposit will be carried forward. If you choose to mail your locker key to Sound Transit, please mail it in a padded or cardboard envelope.

**5. Payment.** Payment of the annual fee must be made by money order or by check made payable to "Sound Transit."

**6. Eligibility.** The bicycle lockers are for use by people regularly using transit services of Sound Transit and its transit partners at the transit station where the locker is located. You may not be eligible to use a locker if Sound Transit terminated an agreement with you in the past for misuse or abuse of a Sound Transit bicycle locker in the past.

**7. Permitted Use of Locker.** You may store one normal-sized bicycle, including electric-assist bicycles, and related bicycle equipment (such as a helmet and jacket) in the assigned locker. You may not use the assigned locker for any other purpose or storage of anything other than your bicycle and items related to your bicycle commute. You may not lease or rent the locker to someone else.

**8. Inspection by Sound Transit.** Sound Transit has the right to inspect lockers at any time without notice to ensure permitted use of the locker, for safety and security checks, and to gather information about the use of the lockers.

**9. Termination.** Sound Transit may terminate this agreement at any time for any reason upon 30 days' notice by mail or email to your addresses above. Sound Transit may terminate this agreement immediately if (1) there is an emergency; (2) law changes, safety or security require it; (3) it finds items in the locker other than those permitted in section 7, or (4) the bike locker is destroyed or otherwise unavailable. Sound Transit will notify you promptly of an immediate termination. If this agreement is terminated for cause (for example, violation of section 7), you will

not receive a pro rata refund of your use fee. You may terminate this agreement at any time, but will not receive a pro rata refund of your use fee.

**10. Vacating Locker and Key Return.** You must remove all contents of the locker by the end of the term (if not renewed) or the effective date of termination and return the key to Sound Transit within 14 days of the termination date. If Sound Transit terminated this agreement immediately for one of the reasons cited in section 9, Sound Transit has the right to empty the locker of any property stored and to change the lock. You will have 14 days from the post date or email date of Sound Transit's notice to pick up your stored property and return your key. If you do not claim the locker contents within this time, Sound Transit may dispose of the contents as unclaimed property in accordance with applicable state law. If your key is not returned within the times specified above, Sound Transit may keep your key deposit.

**11. Damages.** You will be responsible for the cost of locker repair needed because of the misuse or abuse of the locker.

**12. Notices.** All notices to be provided to you under this agreement may be made by either regular or certified mail or email. You are responsible for notifying Sound Transit of a change of address.

**13. Liability Limits.** While these bicycle lockers provide an additional level of security over our regular bicycle racks, they are not guaranteed to prevent theft or damage. You use these lockers at your own risk. Sound Transit is not responsible for fire, theft, loss, or damage to the bicycle or any other item left in the locker. You are responsible for ensuring that the locker is properly secured.

I UNDERSTAND AND ACKNOWLEDGE MY RESPONSIBILITIES AND THE LIMITATIONS PLACED ON MY USE OF THE BICYCLE LOCKER. I ALSO UNDERSTAND AND ACKNOWLEDGE SOUND TRANSIT'S RIGHTS AND LIMITATIONS OF LIABILITY PROVIDED IN THIS AGREEMENT. AGREED:
